INFORMATION DISCLOSURE STATEMENT

Sir:

Enclosed is a PTO Form 1449 which lists citations which may be material to the patentability and examination of the above identified application. Also enclosed are copies of all other references received by the Examiner through corresponding applications. These are submitted in compliance with the duty of disclosure defined in 37 CFR 1.56. The Examiner is requested to make these citations of official record in this application.

Applicant requests that MPEP 609 III A(2)(E) be complied with and the examiner consider information which has been considered by the Office in a parent applications thereof. A listing of the references cited in those applications follows on the attached PTO/SB/08A. Applicant respectfully requests that they be made of record in the instant application.

The present application is a divisional application of US Patent Application No. 09/614,546 filed July 12, 2000. A pending patent application, no. 09/428,430 of the present applicant, which is hereby incorporated by reference, discloses a medical condition sensing system including a multiplicity of general purpose computers disposed in user locations.

11/29/2006 MAILED1 03320143 501407 10600336
01 FC:1005 160.00 DA

This Information Disclosure Statement is being filed subsequent to an Office Action being mailed and a late fee of \$180 is due. Please charge my Deposit Account 50-1407 for this fee, as well as any additional fees due.

This Information Disclosure Statement under 37 CFR 1.56 is not to be construed as a representation that a search has been made, that additional matter which is material to the examination of this application does not exist, or that any or more of these citations constitutes prior art.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Martin D. Moynihan". The signature is fluid and cursive, with a large, stylized initial "M".
